

DR. KRISHAN RAMSOOBHAG

I, KRISHAN RAMSOOBHAG, seek your support in the upcoming MBTT elections on September 12, 2023.

I am currently a Consultant Urologist and Head of the Department of Urology at San Fernando General Hospital. I also hold the title of President of Trinidad and Tobago Urological Association and was former President of the Society of Surgeons.

For the period 2020 to 2023, I was successfully elected to council of the MBTT. During this time, we as a council achieved numerous short term and long term goals. If elected again, I will endeavour to continue these goals such as administrative restructuring, reorganization of the registration process, implementation of CME's etc.

I look forward for your support.
