

**Dr. Rishi Jagdeo**

I am Dr Rishi Jagdeo and I seek nomination to the Council to contribute to the development of the Medical Profession reflective of the efforts underway to modernize the MBTT. I am a graduate of the Class of 2008 and have been in practice for the last 14 years in both the public and private sector. My qualifications include a MSc Sport Medicine, MBA Hospital and Health Services Management, Certificate in Leadership in Healthcare and LLM Healthcare Law and Ethics. My practice is centered in the field of Orthopaedics and Sports Medicine and supported by training in the Administration of Health Management and Healthcare Law and Ethics. I have the requisite experience in a similar role of a Council Member having represented the MBTT on the Council for Professions Related to Medicine, a sister body to the Council of the MBTT. I share that my experience and training is diverse, multidisciplinary and will augment the distinguished complement of members of the Council. My inclusion to the Council allows a new opportunity for improved discussion and decision making that will benefit all members, facilitating the progression of the Council to address the emerging challenges of 21<sup>st</sup> Century medicine practice. I believe that we all have a duty to promote our profession and to be of service to our profession and I am ready, willing and able to do both.
