We invite physicians and other health care professionals involved in Cardiology to submit their abstracts. We want to see and hear the work you have been doing. We want findings on key areas of research and more. Submit for an opportunity to present your abstract or display your poster.

Abstract Info

The Professor Charles Denbow Young Clinician Competition

Professor Charles Denbow
Prof. Medicine, UWI
Founding Member - Caribbean
Cardiac Society

The Professor Charles Denbow Young Clinician Award is a competition in which young clinicians are invited to submit a clinical case related to the cardiovascular system in which a resident or student was involved, that demonstrates good clinical skills and clinical decision-making. Although primarily aimed at internal medicine residents, submissions from other specialties with cardiac related cases are highly encouraged e.g. Cardio-Obstetrics/ Anaesthesia/Cardio-Oncology/Emergency Medicine.

THE WINNER GETS
USD\$500 & 1 Year Free Membership in the CCS
